A.P. Goyal Charitable Trust is a nonprofit charitable organization that aims to mobilize world class education and generate resources for supporting mass quality education for all kind of masses & public by Shri Pramod Goyal, a respected business man as well as a social worker. APGCT has been also carrying out various social and welfare activities in education, health and welfare sector.

The Trustees have created adequate linkages, assurance and support from a large number of leading business houses to ensure the essential ingredients for the promotion of quality education, i.e. adequate financial resources, educational and managerial support and availability of quality faculty besides providing assurance of quality placements.

The University has been established in the name of APG (Alakh Prakash Goyal) Shimla University. The University befitting its status as the University offering professional degrees, diploma and certificates courses.

APG (Alakh Prakash Goyal) Shimla University aspires to be the paragon of the comprehensive educational institution of the new century by fusing together a holistic teaching philosophy with innovative course content. Our students will thrive, develop, and grow at APG (Alakh Prakash Goyal) Shimla because of our confidence and belief in the value of our unique holistic philosophy; the nonpareil quality and scope of our courses; the pre-eminence of our faculty; our commitment to fostering a diverse, flexible, and collaborative culture; and the cutting-edge facilities and infrastructure ensconced in the pristine environs of our campus.

The mission of the APG (Alakh Prakash Goyal) Shimla University is to contribute to society through the pursuit of education, learning, and research at the highest international levels of excellence with a core value of freedom from discrimination. We believe in the encouragement of questioning spirit and depth provision of an extensive range of academic subjects with close relationship between teaching, scholarship & research.
