Established in 2010, by an Act of Parliament, the Academy of Scientific and Innovative Research Act, 2011 vide The Gazette of India No. 15 dated February 07, 2012 and notified on April 03, 2012. There are 2453 Scientists of CSIR as Faculty members of AcSIR and 36 Adjunct faculty members. Out of a total of over 3000 Students, there are 3082 Ph.D, 95 Integrated M.Tech-Ph.D (IMP), 20 Integrated M.Sc-Ph.D and 06 PG Diploma in 'Patinformatics' students, respectively.

- First Convocation held on September 15, 2011 (during interim mode) for 52 Students of PGRPE-2009 batch.
- Second Convocation held on September 26, 2012 for 71 Students of M.Tech (PGRPE)-2010-12 batch.
- Third Convocation held on March 24, 2014 for 81 Students of M.Tech 2011-13 batch and 5 Ph.D Students.
- Fourth Convocation held on August 28, 2014 for 107 Students of M.Tech 2012-14 batch and 40 Ph.D Students

The mission of the Academy is to create highest quality personnel with cross- disciplinary knowledge, aiming to provide leaders in the field of science and technology.

- Nurture a research-propelled, technology-enabled, industry-linked, socially conscious higher education platform
- Achieve a seamless integration of intellectual strengths with current market needs with a people centric focus.
- Develop niche capability required to bolster research efforts in futuristic science.
- Provide the opportunity to work on the frontier and contemporaneously challenging areas for nurturing innovation

Objectives

- Disseminate advanced knowledge in science and technology, by providing teaching and research facilities in emerging and futuristic areas of inter-disciplinary and multi-disciplinary areas—whether the focus is natural sciences, life sciences, mathematical and computational sciences, medical sciences, engineering, applied art, humanities, social sciences, law relating to these areas
- Adopt measures for innovations in teaching and learning processes
- Create an ambience for learning and scholarship in advanced science and technology instead of exclusively focusing on marks or grades
- Educate and train manpower in scientific and technological fields; science 2.0 e-enabled cloud environment.
- Establish linkages with industries in India and outside India for the promotion of science and technology.
- Collaborate, in appropriate areas in the field of science and technology, with reputed universities and institutions in India and outside India
- Promote research in science and technology having a bearing on social, economic, cultural, and intellectual, welfare of the people.
- Organize and undertake extramural studies, training and extension services.
