Akal University - Guru Ki Kashi

ਦਿਹਾ ਹੋ ਪ੍ਰਗਟ ਆਸੀ ਕਸੀ। ਪ੍ਰਭੂਹੋ ਦਿਹਾ ਚੋਰ ਮਾਤਿਰਸੀ।
ਠੇਖਕ ਗੁਨੀ ਕੀਛੈ ਗਿਆਨੀ। ਝੁੱਧਿਮਿਧੁ ਹੋਹੋ ਦਿਹ ਆਨੀ॥

Fulfilling Sri Guru Gobind Singh Ji's fourth Prophecy of " Guru Ki Kashi ". For a Sikh, there is nothing more rewarding than to serve the cause of Humanity and especially Education, which enlightens the minds of the people and removes the darkness of ignorance from their minds.

Propagating the vision of Guru Gobind Singh Ji, the Guru Ki Kashi Akal University is the ideal center for education located in the heart of Talwandi Sabo, Punjab. Advanced technological facilities and modern infrastructure makes the Akal University the perfect education destination for students imparting value based education along with a safe & secure environment for all its students. With the blessings of Baba Iqbal Singh Ji and support of the Kalgidhar Society, Baru Sahib, the Akal University has been established as a center for State of the Art Education. With 5 colleges offering a diverse range of courses in Humanities, Science, Commerce, Religious Studies and Languages the aim of the university is to ensure a complete and comprehensive approach to instill the values of Sikhism and religious secularism through its courses. The divinity centre at the university will train scholars to translate Sri Guru Granth Sahib in different languages and carry the message of the Guru to the outside world in different languages to raise awareness about Sikhism in the world around us.

Our endeavour at Akal University is to develop in every student the ability to express himself/ herself in English. Good communication abilities are among the most important life skills critical to achieving success in any field. No matter how brilliant you may be, or how knowledgeable about a subject you are, if you can't get the words out in a compelling, convincing, or coherent way, your thoughts are of limited value. This is why teaching effective communication skills must serve as the cornerstone for any program preparing young people for the 21st century. At Akal University, English will not only be the medium of instruction but also the only means for all communications and at all levels.
