

ALL INDIA INSTITUTE OF MEDICAL SCIENCES RISHIKESH

Virbhadra Road, Rishikesh - 249 201, Uttarakhand
Email : rakeshkumar.aoaiims@gmail.com

AIIMS, Rishikesh is one of the SIX AIIMS like apex healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). With the aim of correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self sufficiency in graduate and postgraduate medical education and training the PMSSY planned to set up 6 new AIIMS like institutions in under served areas of the country. These institutions are being established by an Act of Parliament on the lines of the original All India Institute of Medical Sciences in New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with nursing and paramedical training. To bring together in one place, educational facilities of the highest order for the training of personnel in all branches of health care activity. The All India Institute of Medical Sciences, Rishikesh came into existence as an institute of National Importance through an Act of parliament. The All-India Institute of Medical Sciences (Amendment) Bill, 2012, was passed in the Lok Sabha on August 30, 2012 and in Rajya Sabha on September 4, 2012. This Act enabled the Rishikesh AIIMS to be an autonomous body on the lines of the existing AIIMS, Delhi. Official inauguration ceremony for Medical college of AIIMS, Rishikesh was held done on 20.09.2012. Subsequently MBBS classes with batch of 50 students were started on 21.09.2012.

MISSION : The government of India has launched the *Pradhan Mantri Swasthya Suraksha Yojana* (PMSSY) under the Ministry of Health and Family Welfare, New Delhi with the objective of correcting regional imbalances in the availability of affordable and reliable tertiary healthcare services and also to augment facilities for quality medical education creating a critical mass of doctors and conduct research in the country relevant to the area. Main mission is to establish a centre of excellence in medical education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the under served.

VISION : The institution will be expected to absorb talent, provide highly trained medical and paramedical manpower for the country and conduct research in national and regional health problems. The institute, outside the purview of the Medical Council of India shall be allowed to experiment with innovations in medical education and serve as advisory body for making government health policies. Main objectives according to Director are to create an excellent academic and educational milieu for providing a platform for development of quality medical services, teaching and research. Other objectives are to achieve an epitome of quality in medical education delivery and training system and to render International standard quality patient care and health care development system.

We aim to enhance the reputation of our country by relevant research in medical field, creating clinical excellence and social awareness in young doctors and giving bright minds of Uttarakhand a preference in participation of path breaking research and giving new dimensions to medical science.
