Alliance University is a private University established in Karnataka State by Act No.34 of year 2010 and is recognized by the University Grants Commission (UGC), New Delhi.

Alliance University is a renowned university of higher learning located on an extensive state-of-the-art campus in Bangalore offering a variety of degree courses. The University has baccalaureate concentrations, postgraduate offerings, doctoral degree programs and several professional certificate programs.

Alliance University aspires to be among the best universities in the world by the year 2025 through a series of strategically crafted moves, precisely calibrated action plans and an unwavering commitment to the pursuit of excellence.

While its oldest professional school—Alliance School of Business—is consistently ranked among the top ten private business schools in India by various ranking agencies, the University having already established Alliance College of Engineering and Design; Alliance School of Law; and Alliance Ascent College, is in the process of establishing many other prominent academic units, viz., Alliance College of Arts and Humanities; Alliance College of Science; Alliance College of Medicine and Dentistry; Alliance College of Education and Human Services; Alliance School of Health Sciences; and Alliance College of Media and Communications.

The ambience and serenity of a world-class infrastructure housed in a 'green' campus; faculty who have proven themselves in their respective fields by providing an excellent blend of rigor and relevance in their teaching; staff who are ever ready to reach out; robust industry interactions; research aimed at solving problems of the real world; a plethora of international collaborative arrangements; outreach activities that touch the lives of a wide cross section of society; and an exemplary track record in career counseling and placement facilitation—all combine to provide a rare synergy that transcends artificial barriers and enables students to follow their hearts with passion and confidence.
