In achievement and prestige, the Babu Banarasi Das University has been recognized as one of Indian great universities.

BBD University aims to transform the way people think by teaching them problem solving, leadership and teamwork skills, and the value of a commitment to quality, ethical behavior, and respect for others.

We want every member of our university to enjoy diverse opportunities for intellectual, personal and professional growth. Learning and working at BBD University will foster quick, well-rounded minds, well-equipped to succeed in our fast-changing world.

We at BBD University strive to educate students in a way that transforms them into leaders who can make a difference in the world.

We aim to impart futuristic and high quality technical, management and medical education to the young and talented Indian and international students.

We strive to become the front runner in the field of education in India by attracting and nurturing the best talent and providing them a platform where they can strengthen and grow their core competencies and build their career as world class professionals.

We will provide a lifetime outside the classroom experience by setting up world class infrastructure and facilities for sports, recreation, cultural and personality development.

BBD University is committed to provide the excellence in teaching, learning and research and develop the cream of the crop in all the field of education. BBDU is one of the India's premier academic and Research University. BBDU has driven new ways of thinking since 2010 - the founding year of University.

The university attracts students from all around the world due to its excellent facilities. BBDU established and run by the group having exceptional experience and performance excellence of more than 13 years.
