Employing over 800 top professionals and academicians, Brainware has come to be associated with an institution of repute offering well trained quality manpower to the industry. Every member of the Brainware Family enjoys diverse opportunities for intellectual, personal and professional growth. Learning and working at Brainware will foster quick, well-rounded minds, well-equipped to succeed in our fast-changing world.

To reach out and add worth to people's lives, impart quality education for creating efficient manpower for the future, and promote a superior category of students and researchers who would apply knowledge for the advancement of society and meet the challenges of a rapidly changing world .

To spread and enhance education, collaborate with national and international institutions, promote interdisciplinary research works, upgrade educational standards, and empower the youth with a holistic development by exposing them to a wide culture of creation, innovation, and employment opportunities.

We believe that our students are not just pupils; they are scholars. With that on mind, we keep moving forward.
