Galgotias University's mission is to graduate socially responsible future technologists and business leaders with good communications skills, problem solving skills and an entrepreneurial spirit with a commitment to economic development.

With a strong multidisciplinary knowledge base, graduates of GU will be well prepared to succeed in an increasingly competitive global economy.

With a focus on multidisciplinary research and education and a learning model that emphasizes active learning, GU aspires to be globally known for innovation at the intersection of disciplines. GU's bold vision builds upon over a decade of excellence of Galgotias Institutions in engineering and business education.

Galgotias Institutions have been nationally ranked by India Today, Business Today and Outlook for their programs in engineering. Galgotias Business School was recently recognized by Dun and Bradstreet as a leading business school in India.

With a 100% placement record for the last four years supported by multinational firms like Accenture, Hewitt, IBM, Infosys, Nokia, and Samsung, Galgotias Institutions have earned the respect of top performers in the industry.

The unwavering commitment to quality in all aspects of education including infrastructure, academics and administration has won us respect from the corporate world as well. With a focus on research that drives innovation, we are emerging as the leading centre for knowledge generation and dissemination. It is our endeavor to continuously explore new opportunities by innovating to create new epicenters of growth.

The faculty at Galgotias University is inspired by the vision to be known as one of world's premier educational institutions for multidisciplinary education and research. Envisioning a larger societal purpose has always been a hallmark of Galgotias and the compelling vision of impacting the society at large is now an integral part of our education model.
