Geetanjali University (GU) is located in Udaipur, Rajasthan, surrounded by the range of Aravali Hills. The University was founded by Shri J. P. Agarwal in the year 2011 with a vision to promote quality in education and excellence in research which will benefit the society. The University is spread over an area of around 35 acres and having a prolific & state of the art infrastructure. GU is showering and enlightening a huge mass of students from different cultures and serving the humanity by providing education to them under one roof. Under its flagship GU is continuing to provide education in Healthcare, Nursing, Physiotherapy and Pharmaceuticals.

GU offers a wide number of under graduate and post graduate courses to choose from. Those who are associated with the University become a part of the Geetanjali family and move ahead towards success and growth. The management team of the University brings together the best talents to impart quality education to the students. The faculty also works hard to imbibe knowledge and develop the students in a holistic manner with its outstanding faculty, best teaching standards and innovative academic programmes. Geetanjali University intends to set a benchmark in Indian Education.

Geetanjali University is a very well designed and structured campus wherein all the modern amenities are provided. The University is spread across 35 acres of land which is surrounded by the range of Aravali Hills. Within the lap of mother nature all the Hi tech facilities are provided for the students as well as the faculty associated with the University. The University is designed with spacious and well structured buildings with state of the art facilities like audio visual equipment, virtual classrooms, well prepared labs, computer labs, hygienic cafeteria, beautiful and comfortable hostels, etc. With a number of facilities modernly designed auditoriums, fully stocked libraries, finely armed gymnasiums, etc. are some of the reasons why Geetanjali University is known to have a world class campus. The University also has a tight security system all around with a number properly armed security guards and CCTV surveillance all over. The institutes under Geetanjali University are well maintained with beautiful gardens to sit and relax, playgrounds to play your favorite sports. Geetanjali University has left no measures to take that can transform the University campus into a world class campus. The management considers it to be their responsibility of keeping their students happy and satisfied. For the students, faculty and all those who are associated with the University are given all the facilities that they require.
