The Indian Institute of Technology Gandhinagar strives to offer the best undergraduate and graduate education in India with unmatched innovations in curriculum. The institute promotes critical thinking and an appreciation of the interdisciplinary character of knowledge, with an emphasis on the liberal arts, project oriented learning, compulsory courses in design and the life sciences, diversity and globalization. The five-week immersion Foundation Programme for all new undergraduate students was recognized with the World Education Award 2013 by the World Education Summit for innovations in engineering education. Nearly a quarter of its undergraduate students receive study abroad experience during their academic career. IIT Gandhinagar is committed to promoting excellence in science, technology, as well as the humanities and social sciences and to the development of rounded and nuanced minds.

IIT Gandhinagar was founded in 2008 and is located in Palaj, Gandhinagar, Gujarat on the banks of river Sabarmati. Gandhinagar is in proximity to Ahmedabad which is one of the oldest living cities in India, known both for a rich cultural past as well as state-of-the-art infrastructure, thriving industries, and many modern amenities. The city is also the hub of prestigious academic and research institutes, such as the Indian Institute of Management, Ahmedabad, and the National Institute of Design. Gujarat's long standing mercantile and business tradition encourages excellence and entrepreneurship.

IIT Gandhinagar offers BTech and MTech programmes in Chemical, Civil, Electrical, Mechanical and Materials Science and Engineering and also offers MSc programmes in Mathematics, Physics, Chemistry and Cognitive Science. It also offers MA programme in Society and Culture. Ph.D. programmes are offered in all the engineering and science disciplines such as Chemical, Biomedical, Civil, Electrical, Mechanical, Computer Science and Materials Science and Engineering, Chemistry, Physics, Mathematics, Earth Science, and Cognitive Sciences. Apart from the graduate programmes in engineering and science, institute also offers PhD in Literature, Philosophy, Psychology, Sociology, political sciences and Social Epidemiology.
