National Institute of Technology, Silchar is one of the 30 National Institute of Technologys of India and was established in 1967 as a Regional Engineering College in Assam.

In 2002 it was upgraded to the status of National Institute of Technology and was declared as Institute of National Importance under the National Institutes of Technology Act, 2007.

"The vision of NIT Silchar is: establishing unique identity by development of high quality human and knowledge resources in diverse areas of technologies to meet local, national, and global economic and social need and human society at large in self-sustained manner.

The mission of NIT Silchar is to train and transform young men and women into responsible thinking engineers, technologists and scientists, to motivate them to attain professional excellence and to inspire them to proactively engage themselves for the betterment of the society.

- Teaching and Research with focus on emerging technologies, business process and High-Tech Solutions in Low-Tech environment.
- Integrating Technologies and Management in cross-cultural environments.
- Shaping Students Innovative, Entrepreneurial, Supportive, Assured and International.
