Nirma University was established by the initiative of Nirma Education and Research Foundation (NERF). The renowned industrialist and philanthropist Dr Karsanbhai K. Patel, the founder of Nirma Group of Industries, established the NERF in 1994 with a view to promote and support higher education in India.

The NERF chaired by Dr Karsanbhai K. Patel is a trust that crystallized his long cherished dream of providing world-class education and inculcating the spirit of social relevance among the young students of the country.

Functioning under the aegis of Nirma Education and Research Foundation (established in 1994), the university presently includes of a top grade – Institute of Technology (1995), a leading b-school – Institute of Management (1996), an innovative Institute of Diploma Studies (1997), an upcoming Institute of Pharmacy (2003), Institute of Science (2004) and emerging Institute of Law (2007).

All these institutions have emerged as centers of excellence offering various programmes ranging from undergraduate to doctoral levels in technology, engineering, business, pharmacy and sciences.

Considering the quality of education being provided, the Government of Gujarat established the Nirma University under Act No. 10 passed by the Legislative Assembly of the State of Gujarat in April 2003. This development witnessed the merging of all Institutes under the NERF into a single entity of Nirma University. The university has also been recognized by the University Grants Commission (UGC) under the section 2 (f) of the UGC Act.

The Institute has embarked the journey of achieving seemingly insurmountable targets. The teachers and students are the assets of the Institute. They have persistently toiled day and night to turn their dreams into reality. They have brought many laurels for the Institute at State, National and International Levels. The Students and teachers enthusiastically participate in the national and international level events and bring the eternal pride for the Institute.
