Pragyan International University, Ranchi, Jharkhand, has been established by the Government of Jharkhand vide Act No. 11 of 2016 as per Sec 2(f) of UGC, Government of India. The Act received assent of the Governor of Jharkhand and was published under the Government of Jharkhand Gazette Notification No. 312 of 2016, dated 16th May, 2016. Pragyan International University is recognized under Sec 2(f) of UGC, Govt of India and empowered to award degrees as per Sec 22 of UGC Act, 1956. Pragyan International University has been established on the foundation of progressive academic principles. The University carries the heritage of pioneering higher education in India based on International models. It endeavors to maintain the same high standard to achieve global presence. At Pragyan International University, academic programs are benchmarked against the academic and professional standards. Courseware is periodically reviewed to meet industry requirement and student aspiration. The courses are designed to give students an opportunity to apply their intelligence, creativity, and leadership skills to the challenges of the technology driven world. Pragyan International University aims to equip students not only with the academic inputs but also with diversified skills, knowledge and attitude to provide a doorway to rewarding careers. A wide variety of programs are on offer that cover a range of career-oriented qualifications. The education system at Pragyan International University focuses on imparting knowledge, developing skills and competencies. Pragyan International University has been established by Pragyan Foundation, a Not-For- Profit Institution based out of Kolkata. The Trustees of Pragyan Foundation (Sponsoring Body) have been actively engaged in the field of education since 1991 (over 25 years) and have brought their rich experience and expertise in the establishment of Pragyan International University, designing its programmes, hiring the best faculties, offering the finest infrastructure and offering industry-oriented job ready and practical education. The Trustees of Pragyan Foundation have been majorly associated with the impart of education on Holistic Health Sciences including Yoga, Naturopathy, Physiotherapy, Nutrition, Wellness, etc. and promotion and propagation of the importance of Spirituality, Oriental Sciences and Heritage, and World Peace over the last 25 years. Over 1,00,000 students on Holistic Health Sciences were taught and professed by the Institutions run by the Trustees and their philanthropic activities in the promotion of Spirituality, Heritage, Culture and Peace reached the lives of many millions around the world and resulted in tie-ups with more than 200 world-class institutions worldwide for student and research exchange. Through the establishment of Pragyan International University, Pragyan Foundation aims at furthering the noble cause that the Trustees have already been indulged in and reaching out to many more people worldwide through this recognized platform.
