The Starex University, Gurgaon has been established under the provisions of Haryana Private Universities (Amendment) Act 2016. The Starex University has designed a masterplan paradigm for conducting vocational and employment centric Bachelor's, Master's, Doctoral and Post Doctoral Degrees with a view to catering to the needs of a competent cadre of young professionals for managing all facets of the development of our country. There is a saying that "Visualization is a key to success." As in last decade our country is highly influenced by the globalization, there is a big U-turn in every aspect of life .In this competitive era only those people can survive who have got the global vision and one among such people is Mr.Mohinder Singh, the founder of Starex Group who came from Germany with a Global Vision. Starex is a pioneer in providing such opportunity to our young generation to develop a global vision. Our doors are open for all kinds of students but one thing which is needed is The Burning Desire To Grow". "Where There Is A Will There Is A Way", this saying matches perfectly with our organization. Starex is available for all the aspiring students willing to achieve higher goals in life after gaining quality education. Starex is an organization that educates the students, guides them regarding the latest professional courses available and helps them in selecting a professional course for themselves according to their educational qualification. To meet the institutional objective of delivering holistic education, the management has invested heavily in contemporary, academic, non-academic and sports infrastructure.The Starex University has clusters of buildings for hosting the classrooms, laboratories, libraries, computer centres, research outfits, hostels, faculty residences and recreational facilities. The salient features are :

- Spacious classrooms.
- State-of-the-art, Engineering, Medical, Pharmacy, Environment, Computer Science, Physics, Chemistry, Biology and Multimedia room.
- Music, Dance, Art & Activity Room well equipped library and books and several journal subscriptions. The academic and administrative blocks are WI-Fi enabled.
- Sports infrastructure includes basketball, Lawn Tennis courts, Table Tennis courts, athletics track etc. Additionally, indoor chess, table tennis and carom are provided in campus.

The 100-acre campus at Gurgaon has a lush green environment with the infrastructure of international standard running into more than half a million sq.ft. of built-up area. Each class room has adequate storage provision for the entire class. The building is networked to provide adequate computers. In addition to regular classrooms, the building has classrooms equipped with multimedia projectors, language rooms, science lab, computer lab, music and dance rooms and adequate toilet facilities for boys and girls. The building also has two audio visual rooms with state of the art projection facilities with a seating capacity of 70 people each. At the Starex University, residential life is an integral part of the school. Boarders grow in self- reliance confident and develop independent living skills in stimulating environment. They learn to identify their needs, co operate with each other and takes responsibilities of their own decisions and that of group. School maintains centrally air-conditioned separate hostel for boys and girls. Rooms are allotted on twin sharing basis. Shower rooms and toilets are well maintained. There is a common room equipped with LCD's, Indoor games and magazines.
