Sumandeep Vidyapeeth, the prestigious organization committed for making education a pleasurable experience. You are entering in to the arena of higher education in medical and paramedical fields when the future is full of challenges and opportunities.

Since educational situation in our country has become quite dynamic and competitive, we have to be ready and equipped with the required abilities and capacities to conquer these newer fields of knowledge and master newer techniques and skills. This University provides one such portal to acquire, enhance and utilize the basic and advanced training all to groom you as a competitive student and a capable professional.

In pursuit of the mission of giving quality education, the prestigious Sumandeep Vidyapeeth has been established with all departments have preeminent infrastructure, facilities and dedicated faculty ensuring high quality education catering to the needs of the society.

To become an accomplished centre of unique evidence based medical education system in the country with a capacity and capability to share ideas and train other medical institutes in this form of teaching – learning process, to be able to provide the best medical care to the needy with state of the art technology , and to bring forth hypothesis based , community oriented, high impact research which would be able to contribute to formulation of National medical management guidelines in all activities related to medical care. To become a name to reckon with in the field of Medical care and Medical education in India.

To carry forward and consolidate the gains of Evidence based education system by implementing the revised evidence based curriculum in all it's dimensions in all the constituent colleges, thereby giving further impetus to adult learning, enhanced learner participation, patient satisfaction, continuous high quality research and development of more managements protocols suitable to local problems, and in doing so create a new paradigm in medical care and education.
