The West Bengal University of Teachers' Training, Education Planning and Administration is an umbrella university for all the institutions of West Bengal imparting education and research in teachers' training, education planning and administration. The university is investing dedicated effort for being responsive to Global changes and Indian heritage and for emerging as one of the pathfinders in the field of Teacher Education. The West Bengal University of Teachers' Training, Education Planning and Administration has come into existence by virtue of the Act of the West Bengal Legislature, having been assented by the Governor. The Act has been known as the West Bengal Act XXI of 2014; The West Bengal University of Teachers' Training, Education Planning and Administration Act, 2014 (published in the Kolkata Gazette, Extraordinary, January 16, 2015). The university started its venture with Professor Dr. Mita Banerjee as the first Vice Chancellor who joined the University on the 26th March 2015. The world has now become a global village .Every human being on earth is influenced directly or indirectly by the global changes. Thus, the teachers are also expected to offer the leadership to younger generation to make them aware about the global phenomena and making them able for building their own nations with the help of local and global knowledge base without hampering local and global peace and harmony. This is possible with the help of strong characters and familiarity with the latest information. This requires a focused effort. This university likes to dedicate itself in this direction. It proposes to contribute to the society through a centralized pursuit and practice of Education, Scholarship, Research and Exchange Programmes at the highest level of excellence and strive to create a vibrant community of thinking individuals who stand out as valued members of the society and also to fulfil the requirement of True Teachers in our humanity. The university hopes to achieve this goal by presenting itself as an umbrella institute for all the training colleges and centres of study, organizing research and exchange of ideas in Teachers' Training, Education Planning and Administration in West Bengal. It also aspires to be responsive to global changes and Indian heritage in all these directions and to be one of the pathfinders in the field of Teacher Education in the Indian scenario. The Mission of the University is to monitor Teacher Education at all levels and allied Planning and Administration in the State in compliance with the directions from all the regulatory bodies with special reference to The National Council for Teacher Education; to find out ways and means to identify and monitor the implementation of innovative courses in Teacher Education at Undergraduate and Post Graduate level ; to initiate and materialise quality research in Teacher Education at International standard; to offer degrees and other academic distinction ; to confer honorary degrees in Teacher Education in the prescribed manner and under conditions prescribed; to conduct and organize seminars, workshops ,symposia and exchange programmes for promoting Teacher Education; to develop extension activities and out-reach programmes; to act, in general, as a clearing house for ideas and information for research, training, planning and administration of Education.
