The Ministry of Human Resource Development (MHRD), Government of India, has proclaimed Indian Institute of Science Education and Research (IISER) Berhampur to promote quality education and cutting edge research in basic sciences and to provide a platform for the faculty to engage in high quality education, at undergraduate and postgraduate levels. The classes will begin from the academic session of 2016-17.

Indian Institute of Science Education and Research, Berhampur also referred as IISER Berhampur, is a public research and education institute in Berhampur, Odisha, India. It was established by the Ministry of Human Resource Development in order to promote Higher Scientific Learning and Research as well as Scientific Exploration at the Undergraduate and Postgraduate levels of education and to create Scientists and Academicians of the highest quality. IISER Berhampur is recognized an Institute of National Importance by the Government of India. This new institute will start functioning from 2016-17 academic year in the month of August. IISER Bhopal will mentor this institute till a new director is appointed.

## Academic programmes

- IISER Berhampur is initially offering Integrated B.S. - M.S. degree. Admission to this program is in co-ordination with the other IISERs through a Joint Admission Programme.
