The JIS University Act, 2014 (West Bengal Act XXII of 2014) came into effect through the Government of West Bengal Notification No86-Edn (U)/OM-4L/2013 , dated 3rd February, 2015. Vide its letter no. 104-Edn (U)/OM-4L/2013, dated 06.02.2015; the Higher Education Department, Govt. of West Bengal intimated the Chancellor to start implementing the provisions of JIS University Act, 2014 and start the academic activities from the Academic Session 2015-16.

Vision

To foster the growth of higher education, research, entrepreneurship development and skill development.

Mission

To blend traditional methods with modern technology enabled practices in academic deliverables and meaningful research and development.

To nurture professionals who would have their commitment to become able Leaders and Managers in their respective professions and in turn transform the society.

To be one of the most preferred destination for aspirants in the fields of higher education, research and entrepreneurship.
