Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by the Government of Uttar Pradesh in the form of a non-affiliating, teaching and research University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

Forty eight batches of students have entered its portals to emerge after four years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new worlds. To facilitate and promote studies, research, technology incubation, product innovation and extension work in Science, Technology and Management Education, and also to achieve excellence in higher technical education .

The University is presently running five B.Tech. programmes in Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics and Communication Engineering and Computer Science and Engineering along with M.B.A., M.C.A., M.Tech. in 12 disciplines and full time Ph.D. programme in number of disciplines as part of Quality Improvement Programme of MHRD and TEQIP-II project. In view of the emerging need of the hour the University is planning to start number of programmes at undergraduate and post graduate level in near future.

The University provides a congenial environment for the holistic growth and all round development of the student through suitably designed teaching learning processes. The training is provided to the students such that they become globally acceptable personalities with communication skills, proper attitudes and aptitudes, problem solving capabilities and to work in as team.
