In the year 1999, under the dynamic leadership of Dr. M.L. Swarankar, a renowned Gynaecologist and Specialist in IVF & Microsurgery, India Education trust (IET) was established. IET was established as a Public charitable Trust with the aim to:

- Continuously improve the health status of people by providing primary as well as advanced health care.
- Establish hospitals including specialty and super-speciality clinics, dispensaries, maternity homes, and RCH centres.
- Develop and administer research and educational institutions including medical, dental, nursing and pharmacy.
- Develop health manpower by creating training centres for medical and allied health care professionals.
- Promote and subsidize activities of other educational institutions which are catering and improving public health at large.
