The Manipal Education Group is an inspiring leader in the field of education, research and healthcare. In a span of over six decades, it has transformed the lives of more than 3,00,000 students from over 59 countries. The group includes five Universities - Manipal University (Manipal, Karnataka), Sikkim Manipal Manipal University (Sikkim), American University of Antigua (Caribbean Island), Manipal International University (Malaysia) and Manipal University Jaipur.

The Manipal Education Group, with its heritage of excellence in higher education for over 60 years, launched Manipal University Jaipur (MUJ) in 2011. Manipal University Jaipur, established on an invitation from the Government of Rajasthan, as a self-financed State University, is all set to redefine academic excellence in the region, with the Manipal way of learning, one that inspires students of all disciplines to learn and innovate through hands on, practical experience.

The multi-disciplinary university offers career-oriented courses at all levels, i.e., UG, PG and doctoral and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Hospitality, Allied Health Sciences, Humanities, Commerce, Management, Communication, Basic Sciences, Fashion Design and Jewelry Management, etc. Some PG programmes are also available in the research mode.

MUJ is having the best of in-class infrastructure, including state-of-the-art research facilities and modern library. In line with Manipal University's legacy of providing quality education to its students, the campus uses the latest in technology to impart education.

Jaipur, being one of the fastest growing cities in India, has increasing demand for quality higher education in the region. Following an allotment of 127 Acres of land at Dehmi Kalan village near Jaipur, the permanent campus of the University has come up at a fast pace and is by far one of the best campuses in the region.
