Medi-Caps has been a brand name in the arena of technical education. Since its inception in July 2000, Medi-Caps has consistently aimed at creating an ideal ambiance for budding technocrats and managers; and helping them to grow like true professionals. With its highly qualified faculty there seems an optimal blend of academic brilliance and industry exposure, supplemented by highly specialized visiting faculty and industry experts, senior professionals from various segments of different industries and business houses. It was time now to spread wings and move out for more exposure and widening of the periphery. Hence the foundation of Medi-Caps University has been laid down. With a strong foundation of the Group since 15 years, Medi-Caps University wishes to maintain the same objective of imparting quality education and producing sound professionals for the benefit of the society at large.

Medi-Caps is a pioneer institute in central India for management and engineering education since July 2000. Within a short span of 15 years the Institute has attained a strong footing amongst all the technical and management colleges of Madhya Pradesh. It is situated on a beautiful hillock with sprawling lawns and beautiful and hygienic ambiance. Medi-Caps holds its strength in quality education and discipline, which makes it extremely sought for.

The Institute holds its flag high with ME/ M Tech Courses in 5 branches i.e. Information Technology, Computer Science Engg, Electronics and Communication and Mechanical Engineering and BE courses in 8 branches - Computer Science, Information Technology, Mechanical Engineering, Electronics and Communication Engg, Electronics and Instrumentation Engg and Electrical and Electronics Engg, Automobile Engineering, and Civil Engineering. Medi-Caps has received 1st rank amongst the Private colleges in Madhya Pradesh and 47th in India in the year 2015 by the Times of India. Various disciplines of engineering are supported with eminent faculty members and enormous resources in the form of book, journals, magazines and laboratory.

Besides engineering courses, the Management and Computer Application courses of Medi-Caps are also as much in demand. The management courses run in four specializations viz- a- viz Core, Foreign Trade, Finance, Marketing and Human Resource Management.
