NIILM University announces its commitment to become one of India's leading universities with an accredited repute for excellence in research and teaching. The University is equipped to take up challenges of the enormous change taking place all around and committed to empower its faculty and students to contribute significantly. The University is geared up to offer Undergraduate and Postgraduate degrees in different disciplines. The University possesses a team of dedicated, highly qualified and industry experienced faculties. As mentors, they provide numerous student-research opportunities at both the undergraduate and postgraduate levels, inspiring students to advance their skills and aspirations. The University aims to facilitate and promote studies, research and extension work in emerging areas of higher education with focus on enriched education in the disciplines of engineering, technology, management, journalism and mass communication, etc. and also to achieve excellence in allied fields. NIILM University will educate citizens and leaders of competence, conscience, and compassion and cultivate knowledge and faith to build a more humane, just, and sustainable world. To create a brilliant future of the NIILM University in which the students, faculty and staff thrive and the citizens, the nation and the world benefit, a future in which the NIILM University is the recognized leader among other universities in:

- Teaching, scholarship and service
- Engagement and public service
- Economic development
- Arts and culture
- Global reach
- Athletics

Building on the existing strong foundation of academic excellence, knowledge and understanding, NIILM University will advance into the highest tier of the nation's leading public research universities, thereby expanding the scope of its reach and the strength of its world-wide impact. NIILM University has a mission to qualify its students for personal success, and direct usefulness in life and teaching the blessings of liberty, inculcating love and reverence in pursuit of happiness. Developing and fostering students to become successful professionals, potential leaders and socially responsible global citizens, who incorporate the University values of study, reflection, community, and service into their lives. The University is committed to diversity, sustainability, and the integration of the liberal arts, the sciences, and professional programs. We offer undergraduate, graduate, and professional continuing education programs, with particular emphasis on the undergraduate experience. Our community and campus settings enhance the quality of student life. We value the diversity of our University community, and we strive to attune ourselves and our programs to our global, pluralistic society.
