The National Institute of Pharmaceutical Education and Research (NIPER, Raebareli) has been created as a centre of excellence for higher education, research and development in pharmaceutical sciences.

The Institute, made a beginning with M.S. (Pharm.) in 2008 and at present offers courses in Medicinal Chemistry, Pharmaceutics and Pharmacology & Toxicology. The Institute admits students for the M.S. (Pharm.) through a joint entrance examination (NIPER-JEE). In future the number of M.S. programs would be increased and Ph.D programs would also be started in its various disciplines of pharmaceutical sciences every year.

National Institute of Pharmaceutical Education and Research (NIPER) is a national level institute in pharmaceutical sciences with a proclaimed objective of becoming a centre of excellence for advanced studies and research in pharmaceutical sciences. The Government of India has declared NIPER as an 'Institute of National Importance'.

National Institute of Pharmaceutical Education and Research (NIPER - Raebareli) is an autonomous body which has been established under the aegis of the Department of pharmaceuticals, Ministry of Chemicals and Fertilizers, in the Government of India, to provide leadership in pharmaceutical Sciences and other related areas. It admits students for M.S (Pharm), programmes in Medicinal Chemistry and Pharmaceutics every year. The Central Drug Research Institute, CDRI – Lucknow is its Mentor Institute for providing the institutional support in respect to its management and as a nodal point for the Ministry.

The Institute is conceived to provide leadership in pharmaceutical sciences and related areas not only within the country, but also to the countries in South East Asia, South Asia and Africa. NIPER is a member of Association of Indian Universities and Association of Commonwealth Universities. In order to spread the culture of high quality education and research and to meet the growing demands of the Indian Pharmaceutical Industry, Government of India has opened six more NIPERs at Ahmadabad, Hyderabad, Kolkata, Hazipur, Guwahati, and RaeBareli.

National Institute of Pharmaceutical Education and Research (NIPER), Rae Bareli, Uttar Pradesh is functioning from a beautiful campus located in Indian Telephone Industries Ltd. area.
