**Vice Chancellor : Dr. V. D. Abraham**  
**Registrar : Shri Ritesh Mishra**

“ORIENTAL GROUP” the most sought after name for quality education has one more feather in its cap. It has been given the University status under section 2f of UGC, 1956 Act with effect from May’2011.

Having clinched the University status, the philosophy of Oriental University (OU) is to contribute in a broader sphere, thereby offering diverse courses in energy, civil aviation, refinery, environment, infrastructure sectors. The tenet with which Oriental University is marching forward is to develop responsible professionals who could be easily deployed in the industry.

Oriental University is spread over 100 acres of lush green sprawling campus on Indore-Ujjain highway near international airport and new proposed railway station. The University is designed by the most eminent contractors of modern India, M/S Hafeez Contractors of Mumbai. Currently the University’s exquisite infrastructure, houses spacious classrooms with latest teaching aids, well-equipped laboratories and workshops.

OU combines innovative teaching and pioneering research in a highly collaborative environment that transcends traditional academic boundaries. It provides student and faculty exceptional opportunities for intellectual, professional and personal growth.

The research activities will not be confined to engineering and pure & applied sciences, rather it’ll cover social sciences such as Geography, history, Philology and literature. The curriculum adopted is industry-specific and OU plays a vital role in bridging the long gap between the extremely demanding corporate and an obsolete curriculum running in many universities.
