Since the establishment of RIMT, our gifted; skilled and daring faculty share their knowledge and pave the way for solutions to complex issues impacting upon our tomorrow. We believe game-changing discoveries depend on bringing the right people together in an environment that gives them room to innovate. Education for Life is in our DNA and we pursue future endeavours with the same spirit, always.

Driven by a strong inclination to assign the futuristic parameters to given standards of education today, RIMT carries forward its illustrious history since inception in 1998. Continuing on its path of growth, RIMT experienced the greatest period of momentum in its history while adding a new institution every year from 2002 to 2015. This legacy continues with RIMT University established by Govt. of Punjab vide Punjab Act, No. 31 of 2015 & under section 2(f) of the UGC.

Evolving from the foresight of Shri Om Parkash Bansal Educational and Social Welfare Trust in 1998, RIMT University has embraced innovation and challenged the status quo. An entrepreneurial perspective encourages students, staff and faculty to challenge convention, lead discovery and explore new ways of learning. Here, bold thinking is given a place to develop into ideas that can change the world.
