Rama University, previously known as Rama Group of Institutions, is involved in imparting world class education and developing leaders of tomorrow. The University is recognized by UGC (University Grants Commission) and is emerging as one of the largest educational establishments in Northern India. Rama University has produced more than 10,000 professionals so far and offers more than 85 courses in specialized fields.

The University is focused at preparing strong and future ready professionals by adopting progressive learning approach and a modern teaching methodology.

Rama University has 10 constituent faculties, 3 teaching hospitals and state-of-the-art research centres to efficiently cater to the students from all over the country.

Rama University offers education at par with global paradigms. The dynamic environment in the faculties not only ensures enormous growth potential but also promotes intellectual as well as personal growth.

The University offers specialized courses across 13 professional streams such as Basic and Clinical Medical Sciences, Dental Sciences, Nursing, Paramedical Sciences, Biotechnology, Engineering, Commerce & Management, Fine Arts, Arts, Journalism, Library Science and Home Science.

Rama University has been a popular choice among the students looking for a pioneer educational institution for higher studies. The Sanskrit verse “SarveBhawantuSukhina, SarveSantuNiramaya”, meaning Let every individual be happy and thus every individual be healthy, is the stimulating force behind our aim to provide globally competitive courses to the aspirants. We promote a holistic learning where we not only impart education but also instill values that equip the leaders of tomorrow to face any challenge.

Over the years, Rama University has been successfully turning ideas into reality and will continue to encourage the aspirants to achieve their dreams. Our approach towards education is modern and holistic, encompassing practical learning techniques, industry visits, guest lectures, case studies and strategic international alliances. By creating a perfect blend of academic learning and professional development, we have been able to prepare professionals who have turned out to be successful in their respective fields. As a multi-campus and multi-discipline Institute we will continue to adapt to the emerging challenges and ensure a rich and rewarding learning experience.
