The historical commitment to empower the community through education goes back as early as in 1924, when Pandit Jawaharlal Nehru Ji launched the first educational institute named “Hindu Anglo Nagrik Inter College” now known as Hindu Rashtriya Inter College, at Gangoh. This humble and noble initiative was the result of the inspiration and commitment of Babu Kedarnath Ji. As a part of this journey to ignite the minds, a renowned agriculturist and social worker from Gangoh, district Saharanpur, our inspirer, Babu Vijendra Kumar Ji envisioned a society to cater the needs of the youth of the area and empower all sections of the community of our nation through education. This dream of Babu Ji was formalized by Dr. Shobhit Kumar and Kunwar Shekhar Vijendra voluntarily and with the spirit of social service to the community along with a team of eminent professionals, technocrats, educationists, and social workers by establishing NICE Society in 1989. To fulfill the vision of Babu Vijendra Kumar ji, to eradicate poverty and meaningfully contribute towards the social upliftment, economic growth, employment generation, empowerment & overall development of youth on sustainable basis, NICE Society, established a number of institutions.

Shobhit University aims to create a conducive, enabling academic climate to facilitate integration of the younger generation into the logic of the present system and to develop educational means by which men and women deal critically and creatively with reality and discover how to participate in the transformation of their world.

The Shobhit University will be internationally recognized as a premier Indian University with a global perspective that educates leaders who will fashion a more humane and just world. The core mission of the University is to promote learning in Indian tradition with international outlook.

The University offers undergraduate, graduate, research scholars and professional students, the knowledge and skills needed to succeed as persons and professional in niche technical areas, and the values and sensitivity necessary to be men and women for others.

The University will distinguish itself as a diverse, socially responsible learning community of high quality scholarship and academic rigor, sustained by Indian ethics & values. The University will draw from the cultural, intellectual and economic resources of the nation to enrich and strengthen its educational programmes.
