

UNIVERSITY OF ENGINEERING AND MANAGEMENT

University Area, Plot No. III – B/5, New Town
Action Area – III, Kolkata – 700 156
West Bengal

University of Engineering & Management (UEM) Kolkata has been established by Act XXV of 2014 of Govt. of West Bengal. University of Engineering & Management (UEM) Jaipur was established by Act No. 5 of 2012 of Govt. of Rajasthan. UEM is established under section 22 of the UGC Act and is promoted by Institute of Engineering & Management Trust. In the past 10 years, students of IEM are passing out with 2-3 jobs per student. The same story is being repeated for the UEM for both its founding batch of 2015 and the current batch of 2016. Students have passed out with 2-3 job offers. Highest campus offer was Rs 15.5 lacs per annum.

University of Engineering & Management (UEM) offers higher education courses in Engineering, Management, Medicine and Science. This is a pioneering achievement where an Eastern India based educational institution has established Universities starting from Eastern India to the most Western part of the country. Institute of Engineering and Management (IEM) is the first Private Engineering College in West Bengal running Management and Engineering programs for the last 25 years. IEM has been ranked ‘Outstanding Engineering Institute in eastern India’ by Star News and ‘Best among Private Engineering colleges in West Bengal’ by The Telegraph. The Business School of IEM has been ranked A+ + + by Just Careers Magazine. Due to its illustrious track record IEM received an invitation from the Government of Rajasthan to start a high quality Technical University in Rajasthan and University of Engineering & Management (UEM) Jaipur was born. Due to illustrious track record of UEM Jaipur and excellent placement for all its students and multiple job offers, the promulgation of UEM Kolkata by the Govt. of West Bengal was an unanimous decision.

In the first year of its execution, UEM Kolkata enrolled the top students of the country with minimum 70% marks throughout career. The UEM campus at Kolkata is a huge campus very strategically located at New Town near IT hub of the state just beside the IIT campus, 15 minutes drive from airport. The UEM campus at Jaipur has a 32 acre lush green area with beautiful ancient gothic architecture building and is situated at “GURUKUL”, 6 kms from Chomu on Sikar Road, NH-11, Jaipur, Rajasthan.

MISSION

To provide the highest quality engineering, management graduates, cutting-edge researchers and innovation technologists by offering a congenial learning atmosphere to students with target to create good citizens.

VISION

To be globally recognized as a center of excellence in education and research producing global leaders in science, technology and management and creating knowledge in frontier areas of national and global importance.
